December seems to be a busy month for most everyone, so if your dancer will not be attending class for some reason, please notify me.

We have all of the costumes chosen for each class/dancer for the recital and they have been added to your dance account which you can view in your parent portal. We can also make a copy for you at the studio upon request. If you have not paid a deposit on your costume(s) please do immediately as I will be ordering costumes this month. ***Remember a \$20.00 deposit was due PER costume.*** If a deposit has not been paid, then a costume will not be ordered for your dancer. Your second payment is due this month (NOTICE that the final payment is due by February 1st). Also, we will be adding your recital performance times to your account ASAP.

Tuition is due this week as well ~ please email or call me if you need to discuss your account.
